October 5th 2026

Dear Parents/carers,

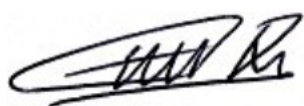

Our Friends of Bushmead (FoB) team sent the attached email on Friday, and I wanted to highlight the work that they do, the support they provide for your children, whilst also sharing a concern that this group are in desperate need of help.

The FoB have been running since well before I joined the school some 12 years ago and have done so with several different committees. They have provided financial support for activities and resources that add that 'bit extra' to the school experience. They regularly contribute to the cost of trips and visits helping to keep the cost to you down.

Our outdoor classroom was entirely funded by the FoB; providing children with an area to learn in the fresh air as well as an area to cover for lunch and break times. A large proportion of our library has been part funded, as well as costumes for various performances and shows.

The meeting this week is an opportunity for you to show your support for the group and to give a small amount of your time at a time that works for you. If the committee has a healthy number of members then the work load is light. There is no commitment having attended the AGM to commit to lots of time or take on specific roles, simply show your support.

I hope to see you there.

Steve Down
